

Strategic Assessment

What are some of the possibilities !

- **Centralize and integrate Intake**
 - **Reduce duplicate data entry**
 - **Provide practice and policy guides on-line**
 - **Provide computer-based training modules on-line**
 - **Create an electronic case record**
 - **Provide statewide tracking of social services cases**
 - **Provide user-friendly input devices to case managers to support data gathering and data entry**
 - **Provide a wide-range of reports to assist case managers, supervisors, directors and State staff in case and personnel management decisions**
 - **Automated support for communications and information sharing**
